

UNIQUE STYLE PLATFORM

ESSENTIAL INSPIRATION FOR CREATIVE MINDS

USP INSPIRE:

CUSHION COMFORT

A **comforting aesthetic** remains important as consumers have acclimatised to working from home in **loungewear** and continue to prioritise their **wellbeing**.

Extreme puffa styles in **fun pastel shades** were seen across A/W 21/22 collections and the **Coach 1941 Tabby** bag has become an influencer favourite, resembling a pillow.

Spanish footwear company **Camper** has recently relaunched their *Kobarah* sandal in new colourways. The zero waste, curvy summer shoe appears rubbery and padded, moulding to the shape of the foot.

In interiors, padded 70's **conversation pits** and inviting, rounded and cushioned **modular furniture** elevate the living room.
