

UNIQUE **S**TYLE **P**LATFORM

ESSENTIAL INSPIRATION FOR CREATIVE MINDS

USP INSPIRE:
LEATHER LOOK

Leather, or leather-style materials, are being updated through colour and application to create a **contemporary** mood.

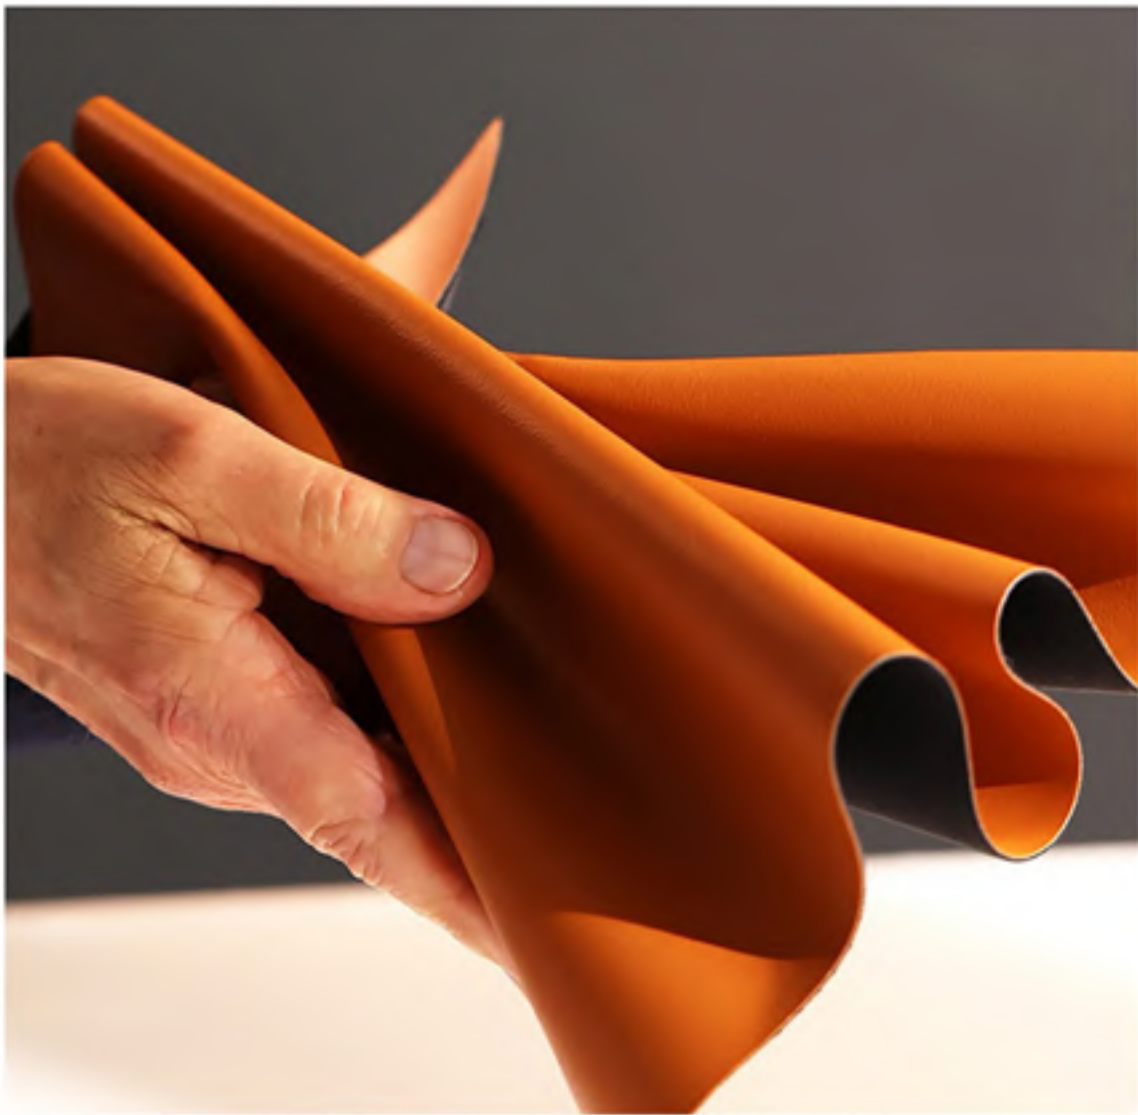

Recent catwalk collections featured **leather looks,** with **elevated, tailored aesthetics** favoured over the usual punk and biker connotations, and **fun coloured tannings** chosen instead of classic black.

In the **Resort 22** shows, **Balmain** presented strong tailored pieces in an jaffa tones for both **womens** and **menswear,** whilst **Sportmax** showed a range of **leather gloves** in a rainbow of bright shades.

In **interiors,** **new upholstery hues** of subdued yellows and oranges add interest and update classic furniture styles.
