ESSENTIAL INSPIRATION FOR CREATIVE MINDS

USP INSPIRE:
REWORKED ZEBRA

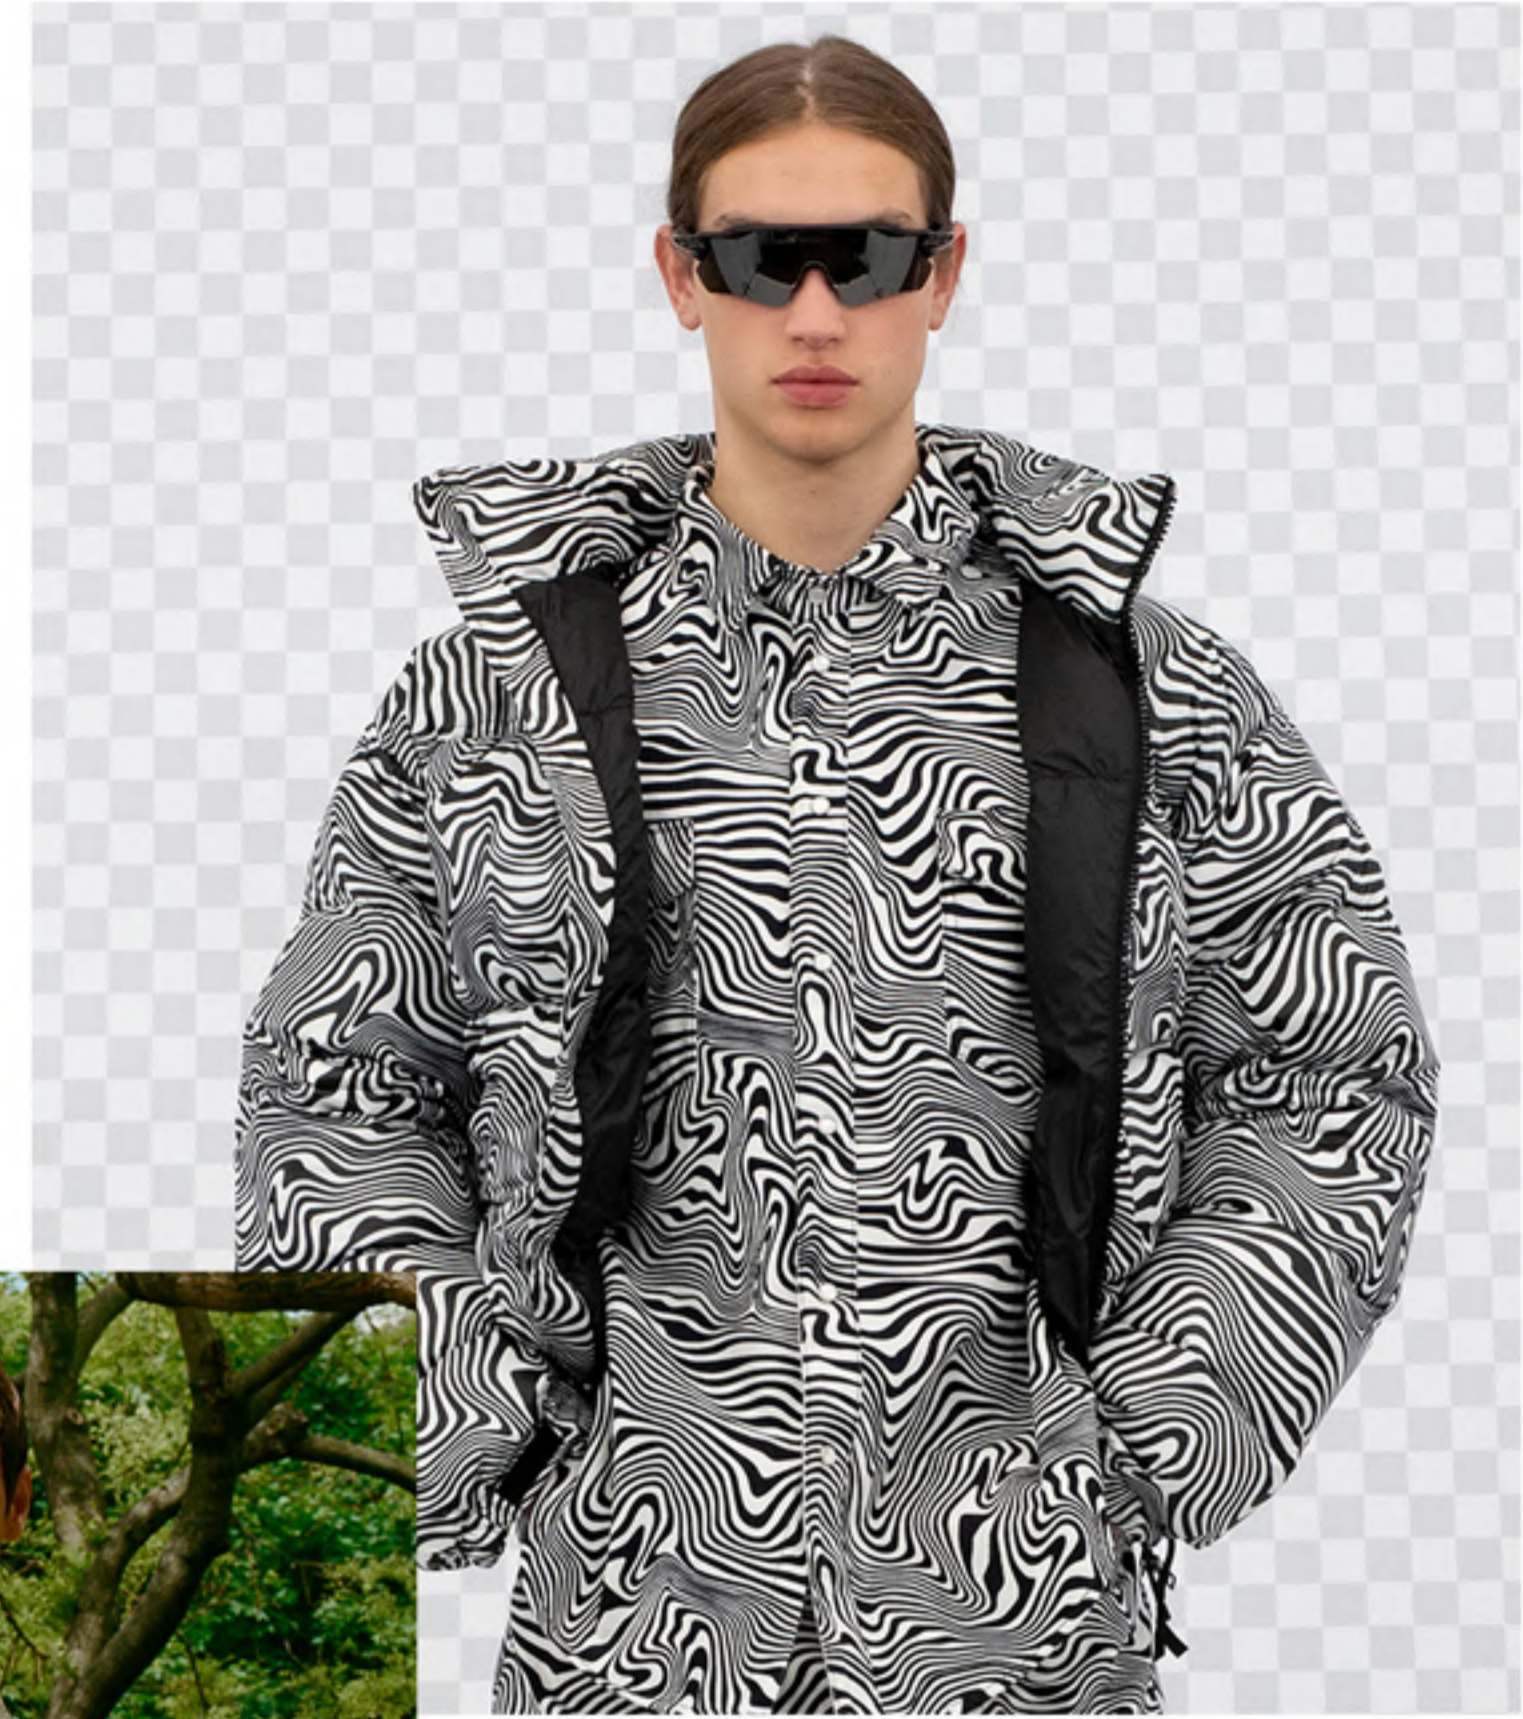

Animal patterns continue to inspire **fashion, beauty** and **lifestyle**. **Zebra prints** are updated with **new colourways** and **distorted pattern**.

COOL TM and **Vetements'** S/S 22 collections feature warped, optical-like takes on the classic print in grungey, head-to-toe looks. **Moschino** created an elevated version for Resort 22 menswear, using a lime green ground. **Ganni** used butter yellow and pale blue colourways in recent drops, while zebra featured as a key print in the **Ganni x Ahluwalia** collection.

Interiors and **beauty** also feature bright colour combinations in statement prints, for wallpapers, ceramics and nail art.
