ESSENTIAL INSPIRATION FOR CREATIVE MINDS

USP INSPIRE:
PUTTY

Hand-moulded, putty-like textures are inspiring accessories and homeware.

Bags and accessories adopt a moulded or dipped look. **Ottolinger's** latest bag collection includes play-doh like textures, and their jewellery blends classic metals and stones with dripped PU.

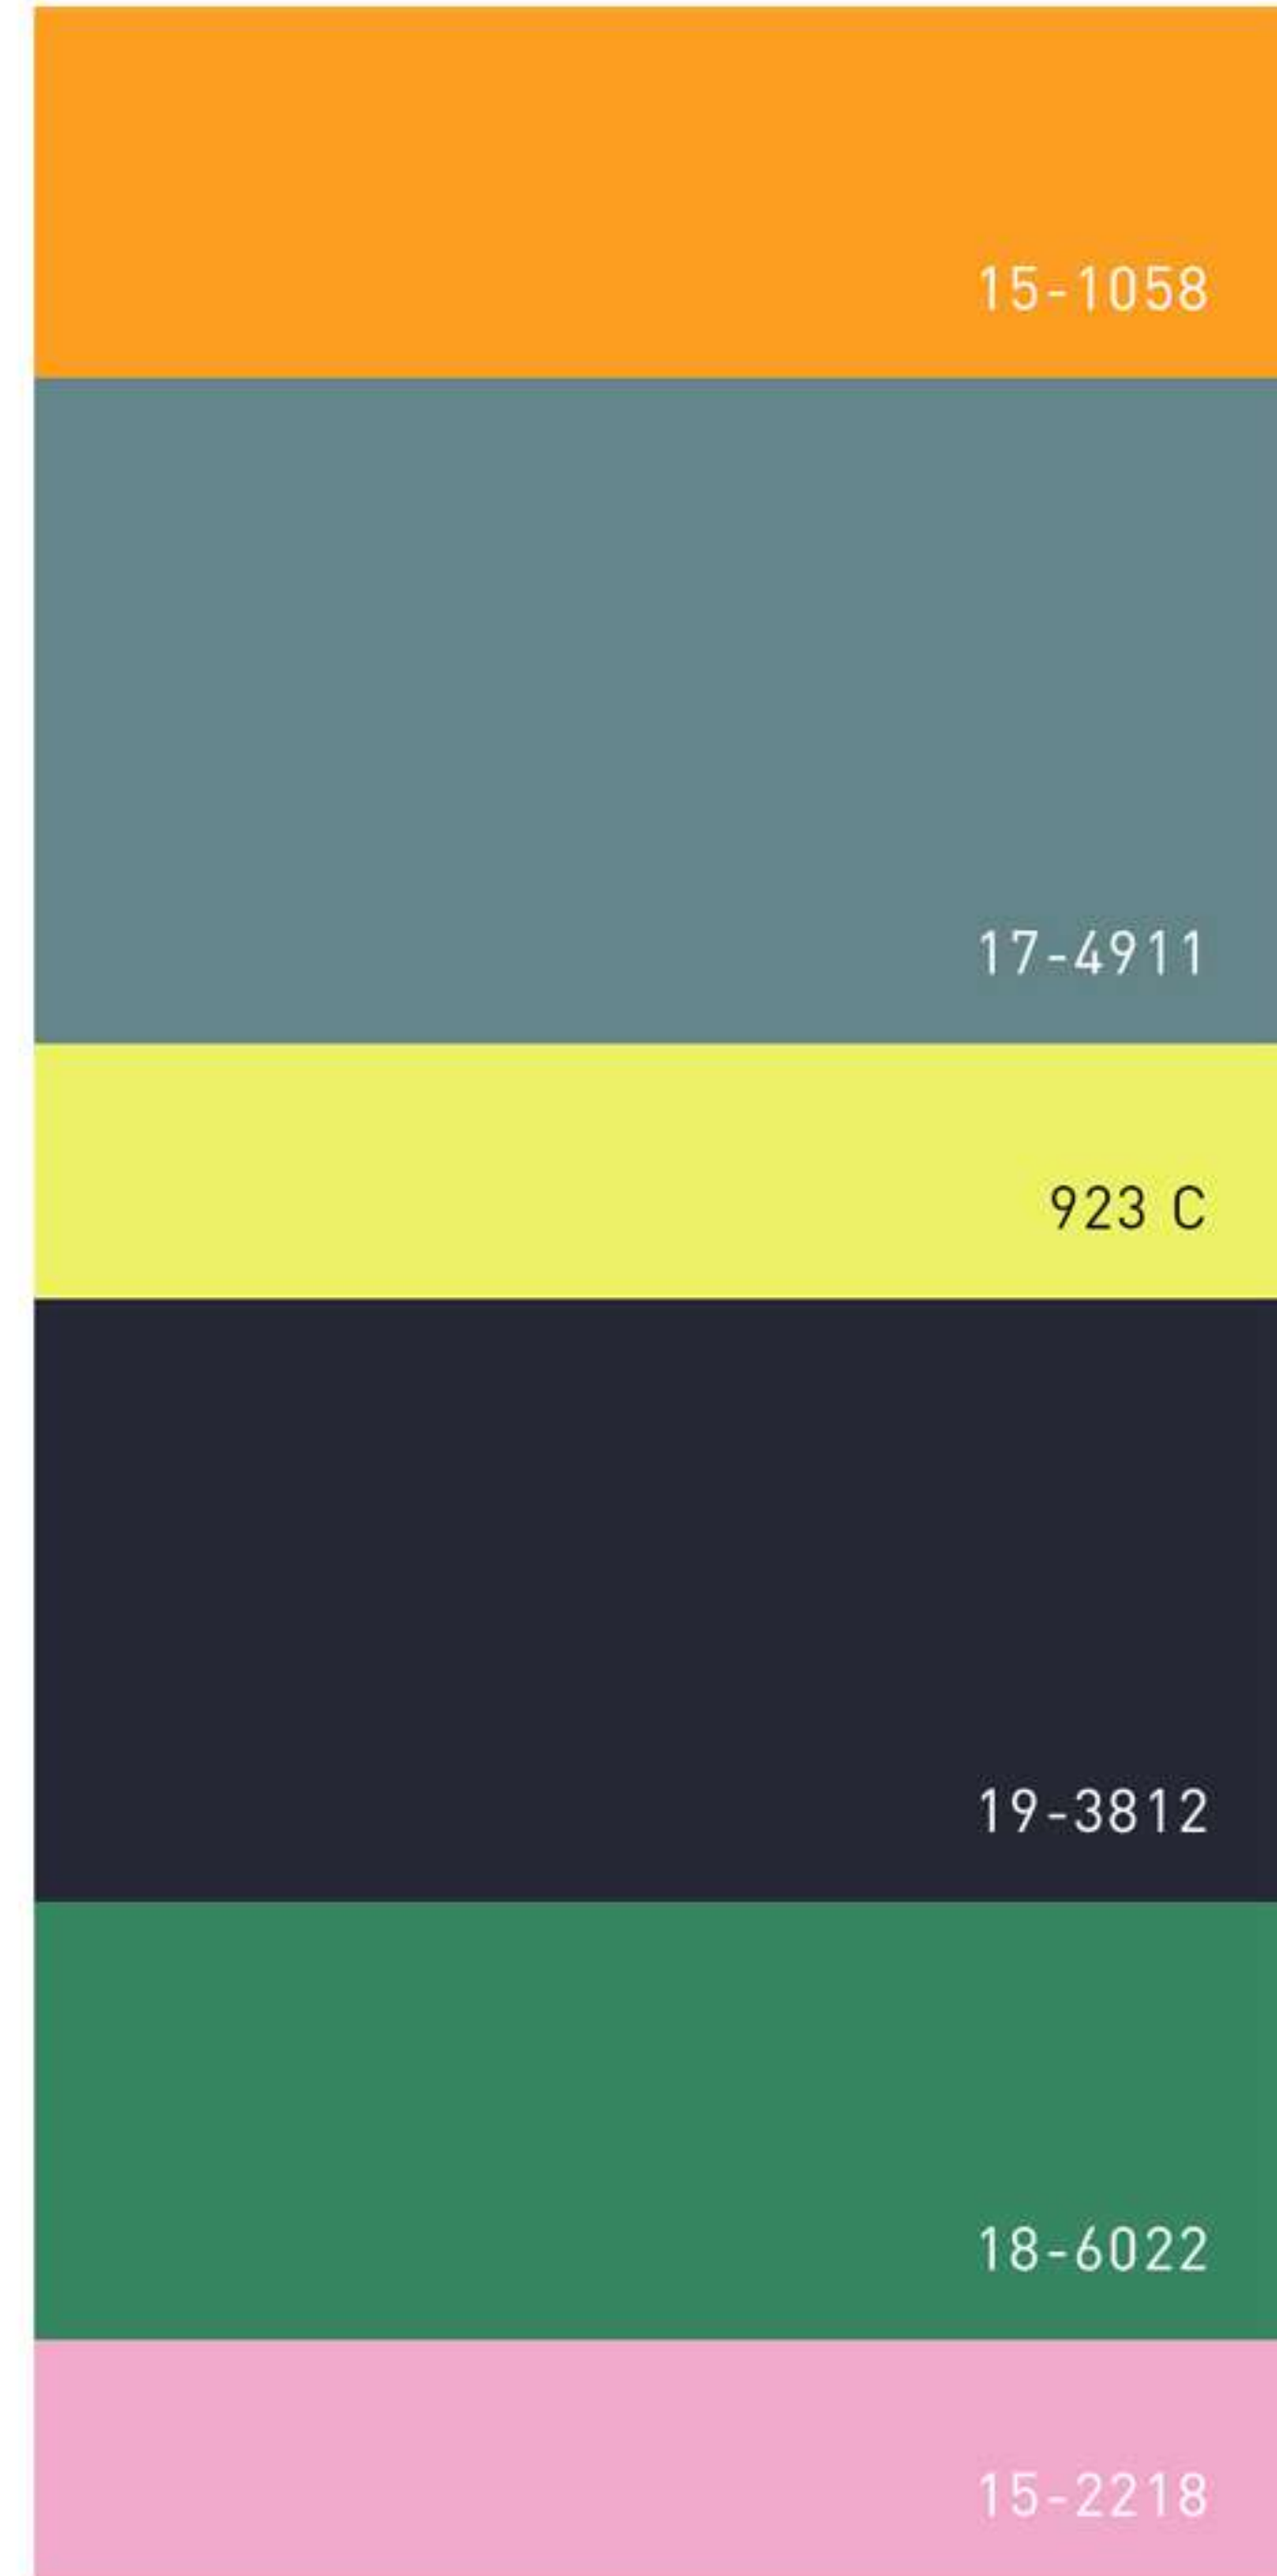

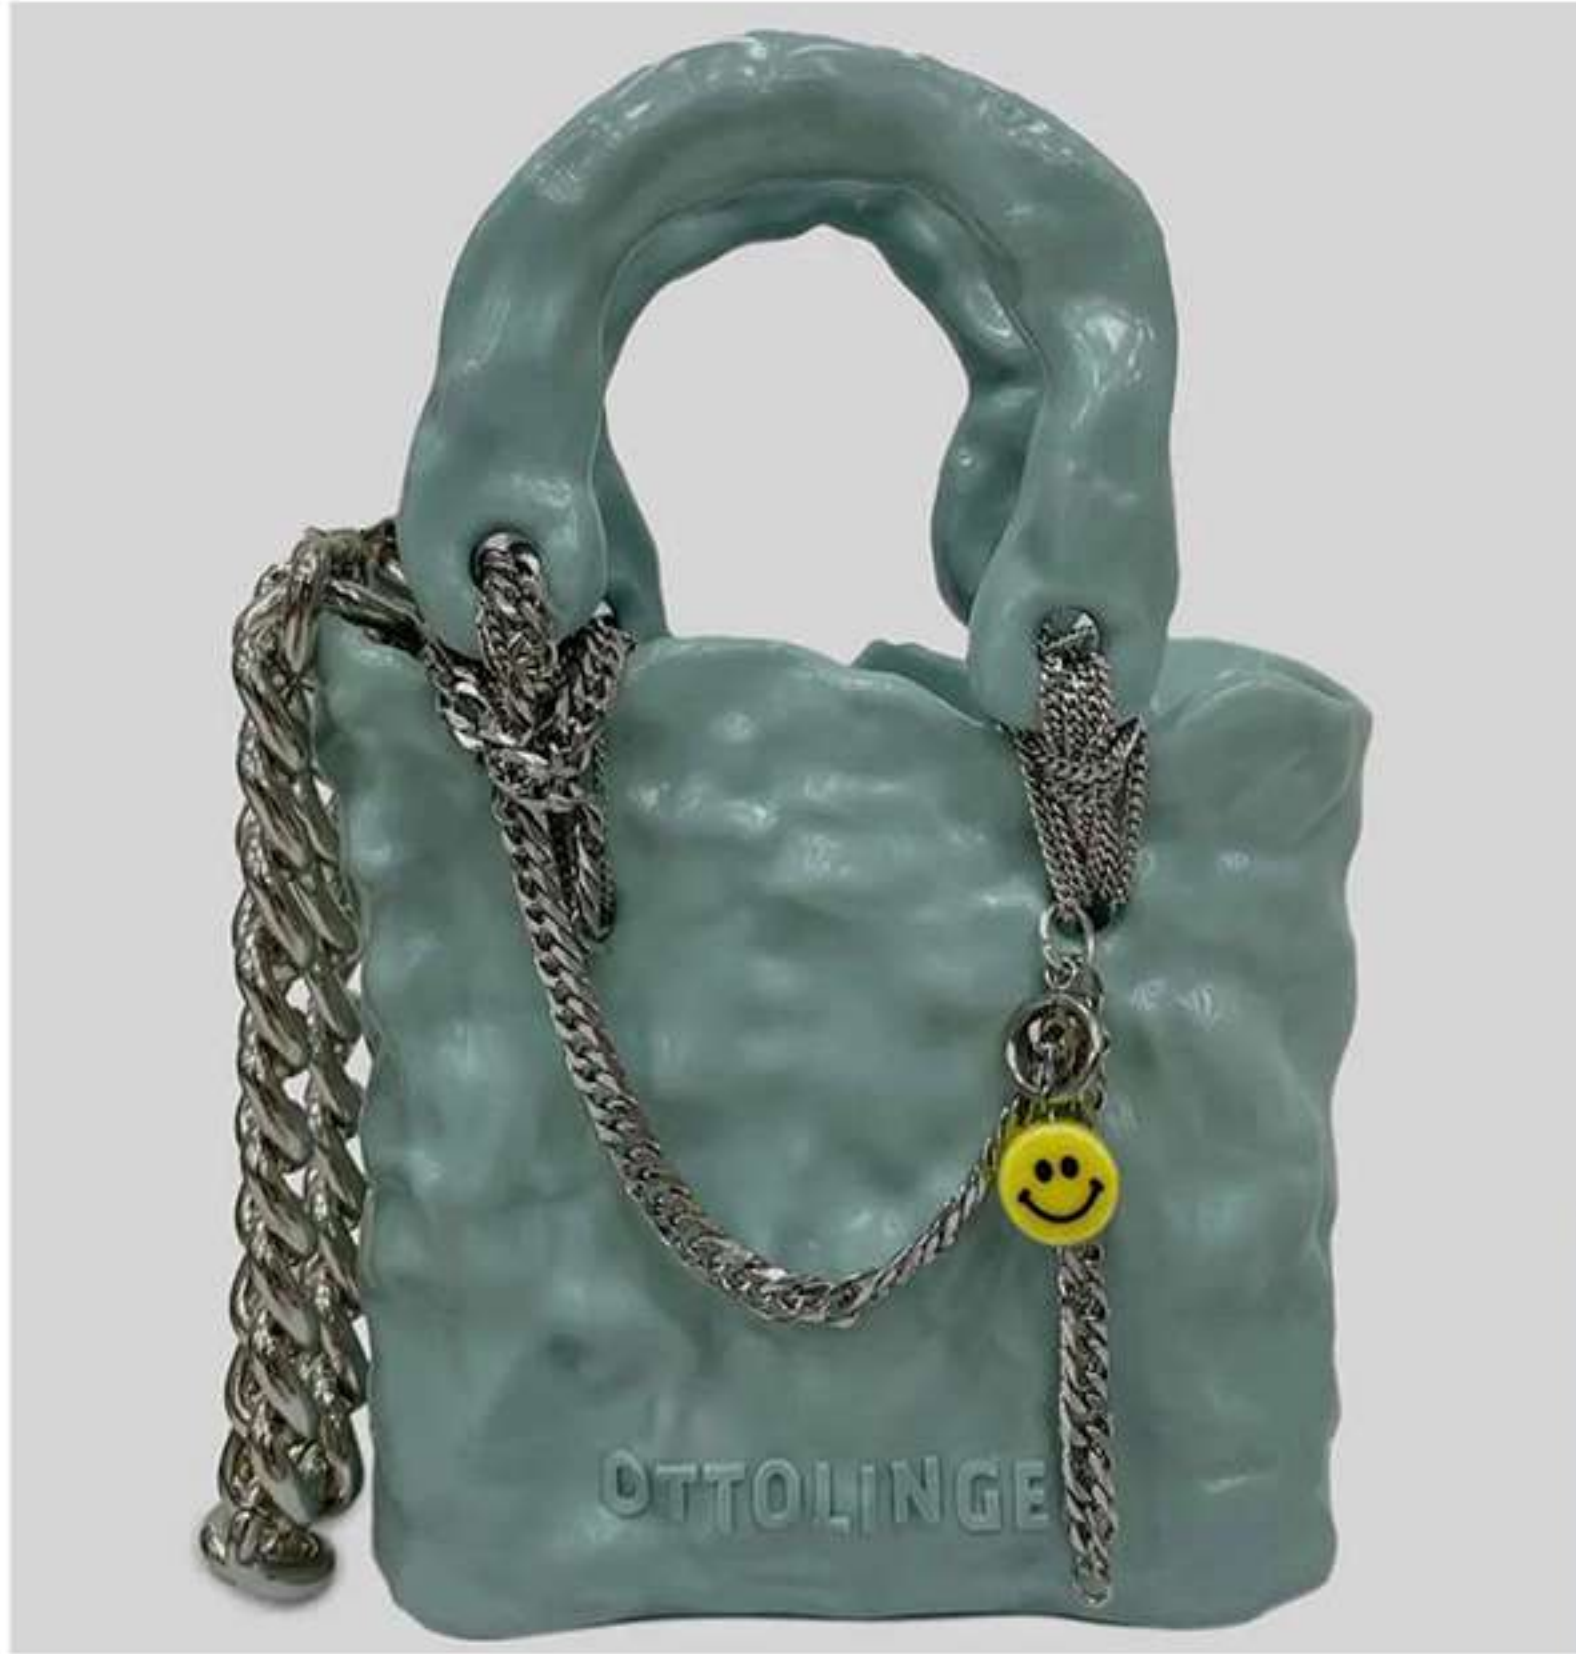

Bleach London has opened a new hair salon in Los Angeles with "amorphous shampoo blob sinks" designed to look like mixing hair dye. Meanwhile, DIY foam mirrors continue, with Dutch brand **Klevering** creating coloured plastic versions.

Be inspired by dripping, hand-moulded, putty-like textures and materials for jewelry, bags, beauty and interior products
