**The Ragged Priest** and **Casablanca's S/S 22** collections appeal to the **playful Gen Z consumer**, featuring wavy lines and shapes through bold prints, trims and fabric cutting.

In lifestyle, **2LG Studio** continue to create joyful interiors, with the launch of a collection with **MADE.com** featuring lamps, tables and stools in waved-edge shapes, whilst designer **Gustaf Westman** creates fun mirrors and other home accessories.
