

UNIQUE **S**TYLE **P**LATFORM  
ESSENTIAL INSPIRATION FOR CREATIVE MINDS

**USP INSPIRE:**  
NEO STRIPES

**Bold engineered stripes** and **hand painted irregular patterns** emerge as a new way to update the checks and gingham seen in previous seasons.

Independent brands and designers such as **Fable Things**, **Léa Mestres**, **Hodge Pots** and **Tero Kuitunen** create handcrafted ceramics with an imperfect appeal.

Playing with hand painted patterns and creating **new colour combinations** inspires a **playful aesthetic**.

Meanwhile fashion and beauty take stripes to new levels, using **bold brush strokes**, **new placements** and **innovative palettes**.
