ESSENTIAL INSPIRATION FOR CREATIVE MINDS

USP INSPIRE:

FUTURE ALIEN BARBIE

BALENCIAGA

Mega-influencer **Kim Kardashian** recently described her current style era as “**future alien barbie**”, whilst wearing **Balenciaga’s** spandex *pantaboots*, blending hi-tech fashion looks with signature sex appeal.

As **space travel** becomes ever more commercial and slightly more accessible, space-age styles are having an impact on **fashion, beauty and lifestyle**.

Futuristic influences have been seen across recent catwalks, including **Louis Vuitton**, as well as street style.
